FOR EXAMPLE: CANADA GOOSE, SNOW GOOSE, AND WILD TURKEY.

DINNER

Bring the family over for a nice meal like mom used to make.

Grilled Steak

Bring in your kill of the day and we will be happy to skin, gut, and cut up the meat for you just the way you like it. We specialize in bison, white-tailed deer, javelina, or rabbit. We place the meat on the nice hot embers and let it cook through.

Our entertainment for the evening is open microphone. Each member of the tribe can tell a story of his or her day.

We also give you the animal skins and fats to go. You may want to apply this on to your body before you leave to keep the mosquitoes away.
